

ABOUT THE DEFENDING FREEDOM WARRIOR WEEKEND

The fine men and women defending our country's right to freedom need our support now. We need your help to make the 10th Annual Defending Freedom Warrior Weekend the best possible experience we can provide for those soldiers who sacrifice so much to ensure our country's freedom. All proceeds collected go directly to local and regional wounded veterans organizations. Our goal is to continue to raise enough money each year to help provide our injured troops with the necessities to successfully transition back into civilian life.

Over the past eight years, our event has raised approximately \$350,000 in direct monetary support for our wounded soldiers. We ask that you reach inside yourself and help America's defenders by choosing a sponsorship level or donating your resources to our event. We invite you to review the sponsorship packages and choose one that works for you or your organization. In exchange for your support, we strive to help our partners maximize their exposure over the course of three days of events and activities in DeLand and Daytona Beach. Sponsorship includes signage prominently displayed at all four weekend events, recognition in Golf Tournament program, and a link to your website from cpswarriorweekend.org.

Your support is greatly appreciated as our event weekend is not possible without the continued participation of our community partners. Thank you for partnering with Complete Parachute Solutions and supporting our nation's greatest heroes.
